They can usually supply a range of clothing suitable for all ages from baby to teenager and adults. Some grants for clothing are also available. EDUCATION SUNDAY – Today, along with other Christian churches in England and Wales, we mark Education Sunday. In the Gospel for this Sunday we hear that all the people of the city are searching for Jesus. This is a truth which many in our society have forgotten. Jesus Christ is **“the way, the truth and the life”** and to accept this is to know true freedom and fullness of life. Our schools and colleges play an important role in the life of the Church, sharing in the mission to make Christ known to all peoples. The Gospel shows Jesus healing the sick and casting out demons, reminding us that our Christian faith moves us to love our neighbours and to seek the common good. Our schools are a very significant way in which that Catholic community in England and Wales places itself at the service of society. Our Catholic schools and colleges are a great treasure. This treasure has been given to us and we must ensure that we hand it on to future generations. Education is in a time of great change. For some schools, this may mean working in new ways and in new relationships. Whatever the challenges that we face, now or in the future, we should remain focused upon Christ in all that we do.

HAVE A LAUGH!

On a recent flight an elderly passenger kept peering out of the window. As it was totally dark, all she could see was the blinking wing-tip light. Finally, she rang for the flight attendant. *“I’m sorry to bother you,”* she said, *“but I think you should inform the pilot that his left-hand indicator is on, and has been for some time.”*

The Sunday School teacher was describing how Lot’s wife looked back and turned into a pillar of salt, when little Jason interrupted. *“My mummy looked back once while she was driving,”* he announced triumphantly, *“and she turned into a telephone pole!”*
