## MESSAGE FROM FATHER PAT

*Dear Parishioners,*

*We are slowly moving towards some semblance of normality, as the lockdown eases, and shops, pubs, clubs, parks are opening again for business. That's good news indeed, but we must continue to exercise caution, good judgement, wear masks and observe social distancing. It is still crucial to obey the rules and regulations that are in place. Those of you have resumed coming to Mass will be aware of how we carefully observe the government and diocesan regulations ensuring that our church is a safe place for everyone.*

*Our congregation has dwindled over the past year but now thank God people are beginning to come back to Mass. Whilst watching Mass online in the circumstances is good, it is not a substitute for being present in the Church for Mass. I now invite and encourage all who can and have been away for a long time to return back to Sunday Mass. We all need to be nourished and sustained by the word of God and the sacrament of the Eucharist. The Eucharist as you often hear is the source and summit of our Catholic lives and for the Catholic person the Mass matters enormously. I invite you to bring your children along also.*

*The month of May is traditionally the month of Our Lady in the Catholic tradition. Since our Parish is dedicated to Our of Lady of Lourdes. I invite you to make this month one of devotion to Mary – how do you do that? There are some simple ways - you could say the rosary every day or even one decade of it, you could pray with your family and children at home using simple prayers, you could come to daily Mass occasionally, you could spend some time in Adoration with the Blessed Sacrament and you could attend the Triduum taking place this week. The role of Our Blessed Lady is to intercede for us to her Divine Son – we don't pray to her - we ask her to intercede for us. A beautiful traditional prayer of our Lady is the Hail Holy Queen – cut it out from the Newsletter and recite it -*

## IT'S TIME TO COME BACK TO MASS

The obligation for Catholics to attend Sunday Mass has been suspended by the Conference of Bishops until further notice. People are not obliged to come to Mass and it is sensible to care for your health especially if you have underlying health issues and are vulnerable. Having said that there are now positive signs that the pandemic is easing in the UK – pubs, shops, clubs are reopening and schools are fully operational. Our church is sanitised from stem to stern. All requirements for health and safety, sanitising, social distancing are in place. So please do consider coming back to Mass. You can come to weekday Mass Monday to Saturday at 9am or the Sunday Masses. It is sufficient from the point of view for obligation to attend one Mass a week. Do start coming back to church and play your part in the worshipping community.

***Hail Holy Queen Mother of Mercy  
Hail our life our sweetness and our hope  
To thee do we cry poor banished children of Eve  
To thee do we send up our sighs  
Mourning and weeping in this vale of tears  
Turn then most gracious advocate  
Thine eyes of mercy towards us  
And after this our exile  
Show unto us the blessed fruit of thy womb Jesus  
O Clement – O Loving – O Sweet Virgin Mary  
Pray for us O Holy Mother of God  
That we may be made worthy of the promises of Christ***

***As we give thanks to our Lady for her protection and to Jesus for all the graces and blessings we receive, let us remember***

## CHORAL VESPERS

Choral Vespers conducted by Andrew Wright, Master of Music for the Diocese and some of the Cathedral singers with Fr Adrian presiding, will be live-streamed from Our Lady of Lourdes Church at 6pm – Wednesday 5<sup>th</sup> May - please tune in.

## STATUE OF OUR LADY OF LOURDES

For many years statues of Our Lady of Lourdes and St Bernadette were positioned in the garden adjacent to the church. They were relocated to the strip of land at the side of the church – parallel to Dangan Road.

Due to security, health and safety issues the gate leading to the shrine has to be kept locked. These two statues have sadly now come to the end of their life and are beyond repair. They are made of fibre glass.

The following which has been agreed by the Parish Council is suggested

1. To replace the statues of Our Lady of Lourdes and St Bernadette with new statues
2. To relocate the shrine to bring it forward nearer to the gates and side door of the church
3. This project to be in thanksgiving to our Blessed Lady of Lourdes, patroness of our parish for the protection of our community during the Covid 19 Pandemic
4. A fund raising project to be opened - where people can donate as a family, individually or in memory of loved ones living and dead. All names of donors to be recorded and placed at the base of the statue. All donations should be gift-aided and cheques payable to Our Lady of Lourdes parish. The project has not yet been fully costed - all going well it is hoped to have the statues in place before, but certainly by the feast of the Our Lady of Lourdes which is the 11<sup>th</sup> February 2022 on which day we hope to inaugurate the shrine and bless it.

**CONGRATULATIONS and best wishes to Maria and John Fitzpatrick on their 60<sup>th</sup> Wedding Anniversary.**

## IS YOUR CHILD 3 OR 4 YEARS OLD?

Our Lady of Lourdes Nursery school is currently allocating places for September. We offer morning and afternoon sessions as well as a limited number of all day places. Our Nursery provides a stepping stone for excellence with outstanding teaching in a natural environment that has been refurbished. Children lead their hands-on learning through Messy Play, Forest School, Art, Puppetry, Construction, Role Play and lots more to fire their imagination and lay the foundation for lifelong learning. You only have to see our children's happy smiles to know that they enjoy learning and socialising with their friends. We believe that learning outdoors, being in a natural environment and exploring our world, allows the children to develop holistically. Please contact the school office on 0208 989 9521 for details.
