Dear Parishioners,

With the end of school term during the week past, we were well aware that summer was here. What a few days of extreme heat which left us all exhausted. It's a bit cooler this week.

The parish is also going into holiday mode and most of our groups, committees, clubs etc., are suspended until September. This gives everyone a chance to rest and refresh their batteries.

Parish life has not been the same and will never be again since the pandemic. A large number have not come back to Mass. Nevertheless, we carry on preaching the word and doing what is required. It's going to be a leaner Church in the future.

Thank you to all who continue to help out in so many ways. Do enjoy the summer break and we look forward to a new beginning in September.

This edition of the newsletter lasts for the month of August. Take a copy home for reference purposes.

God bless,

Fr Pat

ADORATION OF THE BLESSED SACRAMENT

CAFOD 'S NEW CAMPAIGN: FIX THE FOOD SYSTEM

Over 800 million people go hungry each day. Yet the world produces over 4 billion tonnes of food and we only need 3.7 billion tonnes to feed everyone, a third is wasted. Clearly, the current global food system is not working, but as Pope Francis said, "Each of us has a role to play in transforming food systems for the benefit of people and the planet." Let's respond to his call! A few giant corporations put profits before people and millions of small farmers who grow our food are kept in poverty. This system is bad for the climate too.

Clearly, the current global food system is not working for both people and the planet, together we can play our part in re-thinking it and challenging the imbalance of power so that it works for everyone. Alternatives already exist and communities who work with CAFOD are leading the way, growing food in ways that are good for people and the planet. **Will you email Liz Truss today?**
