**ALZHEIMER SOCIETY TREK26 -13 MILE ROUTE**

My family has had a few generations of loved ones succumb to Alzheimers. My Dad is the latest and was diagnosed two years ago. However, the support that the Alzheimer's Society has been able to give him and us who love them has been very different to the support we had for my Grandma. We feel better educated and more able to support my Dad because of the advice and understanding they offer. He has been able to stay more independent longer and doing what he enjoys.

Everyone's path varies, but the expertise of the Alzheimer's Society helps us feel more positive than in earlier times, especially their research into new treatments. I have decided to fundraise for the Alzheimer's Society and I'd really appreciate your support. On June 3rd, I will be walking 13 miles around a route in London.
